

Serial No.: 10/624,815

**REMARKS**

**I. *Restriction Requirement and Election***

The examiner has indicated that restriction to one of multiple inventions is required under 35 USC 121.

The applicant hereby elects, without traverse, Group 1 (Claims 1-13) drawn to a real time communication device for operation with a packet switched network.

**II. *Requirement to Elect Species and Election***

The examiner further indicates that if Group 1 is elected, a further species election is required.

The applicant hereby elects Species 4 drawn to the means for providing a notice message with a subscription table, a first notice message and subsequent messages.

**III. *Identification of Claims.***

The applicant identifies claims 1 and 11-13 as encompassing the elected invention and species. The applicant has canceled the unelected claims.

**IV. *Conclusion***

Accordingly, claims 1, and 11-13 are believed to be allowable and the application is believed to be in condition for allowance. A prompt action to such end is earnestly solicited.
